Not suitable for any models with headlight washers unless these are disabled.

**Part No:** 3934100

**RRP:** \$1285.00\*      **Colour Coding:** \$220.00      **Fitting:** \$298.00

\*Requires 5100010 or 5100020 and 5134010 to complete installation – see below.

This new ARB Sahara bar has been developed due to popular request. It will give owner's vehicles the stunning modern looks along with more choices of appearance.

A winch compatible bumper featuring OEM quality Urethane Buffers and SRS Compatibility offering vastly better protection than the OEM bumper. By offering two choices of buffers the bar can be configured with or without the 76mm polished centre tube.

### Features:

- Suits Warn M8000/9000, XP and XDC 9500 as well as the venerable Magnum 9K.
- Retains Factory Recovery Points.
- Suits up to 900 size IPF lights.
- Optional 6821201 ARB fog light kit.
- Stone guards under wings and pan standard.

Note: Prices are East Coast Capital City RRP
